Introducing CardValet®

Here at Bank of Utica, your security is our top priority. Not only do our Quickdraw® VISA debit cards come with EMV built-in chip technology, we now offer CardValet® as part of our Mobile Banking Service. This is a real-time, fraud-fighting technology that puts you in control of how and when your card is used:

- You can turn off your debit cards if they're misplaced or stolen.
- You can control your cards to work only in specific locations or geographic areas &
- Set alerts to keep you informed when your cards are used based on transaction amount, location, merchant type or transaction type.
