## Introducing Main Street Checks

Here at Bank of Utica, we know that every dollar counts. That's why beginning mid-September, we will be partnering with Main Street Checks to offer you the same great quality checks for less. There are no hidden fees and delivery costs are low. Plus, with their large selection of checks, there is something for everyone. From artsy, to cute, to classic, you are sure to find something you love. And for business checks, choose from purely professional to styles that add pops of color.

**More bang for your buck.** With 20, and in some cases 50 more checks per standard order, you can expect to pay less, leaving more money in your pocket. Hate waiting for checks? No problem. When you open a new Checking account you'll receive nine checks on the spot and can expect your first full check order to ship directly to your house in a week or less—for FREE!
