Control When, Where and How Your Debit Cards Are Used with **CardValet®**

Here at Bank of Utica, your security is our top priority. Not only do our Quickdraw® VISA debit cards come with EMV built-in chip technology, we also offer CardValet® as part of our Mobile Banking Service. This is a real-time, fraud-fighting technology that puts you in control of how and when your card is used:

- You can turn off your debit cards if they're misplaced, and then turn them back on if you find them.
- You can control your cards to work only in specific locations or geographic areas &
- Set alerts to keep you informed when your cards are used based on transaction amount, location, merchant type or transaction type.

Using your card has never been easier or more secure. For more information on this convenient service, stop in, visit us online at www.bankofutica.com or call us at 315-797-2761.
