Coming Soon Instant Issue!

We know how important convenience is so we've made the process of getting a new or replacement debit card fast and easy. By the end of 2019, Bank of Utica will have available for existing customers an instant issue debit card solution.

This means that debit cards can be printed immediately if you:

- Lost your card*
- Need to replace a broken or worn out card*
- Are opening a new Checking and/or HSA Account
- Are a victim of fraud and need to replace your card

*There is a fee of \$5 to replace a card that has been lost or accidentally destroyed. However, if there is evidence of fraud, we will close the card and issue a replacement card for free. For your convenience with replacement cards that have the same card number you will not have to redo all of your pre-authorized payments.

Debit cards for new customers will be ordered through our card processor which means there is a 2-4 week wait to obtain the card. We do this as a security measure.
