We're all in this together.

We believe that banks are the cornerstones of communities. In these uncertain times, it is more important than ever for you to know that you can count on us. Our lobby may be temporarily closed to the public but we remain committed to meeting your banking needs during the COVID-19 outbreak.

We are open and providing all services from our drive-thru from 8 a.m. until 6:30 p.m., Monday thru Friday. Of course, if you would prefer to bank digitally, you can connect to your accounts 24/7 by using our free Online and Mobile Banking services.

We are also taking action to lessen some of the financial burden for our customers who are adversely impacted by the current situation. Please call us to learn more about the following:

- Waiving overdraft and late fees
- Increasing ATM daily cash withdrawal limits
- Increasing check credit loan limits
- Modifying personal and business loans, e.g. principle deferments.

We will continue to closely monitor the situation and evaluate measures to support you, our customers and our community as needs arise. Please visit our website: www.bankofutica.com for updates.

Warning: watch out for bank account scams during this difficult time.
