Our lobby is now fully open. We will be following the latest CDC & NYS guidance on face masks and social distancing.

- * If you are fully vaccinated you may enter the bank without a face covering.
- * Unvaccinated or not fully vaccinated visitors must continue to wear a mask while inside the bank. We'll ask that you please lower your mask before heading up to the lobby so we can have you on camera for security purposes.

Business hours are Monday thru Friday 9:00am - 5:00pm

Drive-up Open Until 5:30pm on Fridays.

There may be a guard stationed at the Genesee Street front entrance and the handicapped accessible Washington Street elevator entrance. Upon entry you will be asked whether or not you have been vaccinated and if you have recently experienced, or been in contact with anyone that has symptoms of COVID-19. **If you feel sick or exhibit any signs of having the virus, or were recently in contact with someone who has, please do not come into the bank, but conduct your business at the drive thru window.**

Remember, you have access to our free Online and Mobile Banking which offer convenient ways to check your account status, pay bills, transfer/send money and deposit checks from almost anywhere. And, we can now instantly issue you a debit card. If you need one, let us know.

We thank you for your patience and understanding during our closure and time of limited traffic due to the COVID-19 pandemic and look forward to seeing you again.
